The Student Council sponsored the Howdy Dance, the Homecoming Dance, and the Valentine's Dance this year. They sold candy canes to decorate a tree for the Buckner Children's Home at Christmas. The group sold Spartagrams for Valentine's Day. During February the Student Council sponsored a blood drive for the Samuell students and faculty members. Ms. Jones, the sponsor, and members worked to promote cooperation between students and the faculty.

Cheerleaders and Banner Team Get on Board

The Varsity Cheerleaders, Spartan Image, and Banner Team had a lot to cheer about during the 1982-1983 season. They supported the mighty football team and cheered them on to the district championship. The cheerleaders jumped and shouted as the basketball team made strides in district play.

These girls were dedicated to spreading spirit to the student body and faculty members. They made tags for the teams and posters and banners to decorate for pep assemblies. This group spent many hours practicing before and after school. They attended the S.M.U. cheerleader Camp during the summer. The Varsity Cheerleaders, Spartan Image and Banner Team attended all varsity football and basketball games. Their sponsor and advisor was Ms. Adams.

J.V. Spreads Spirit

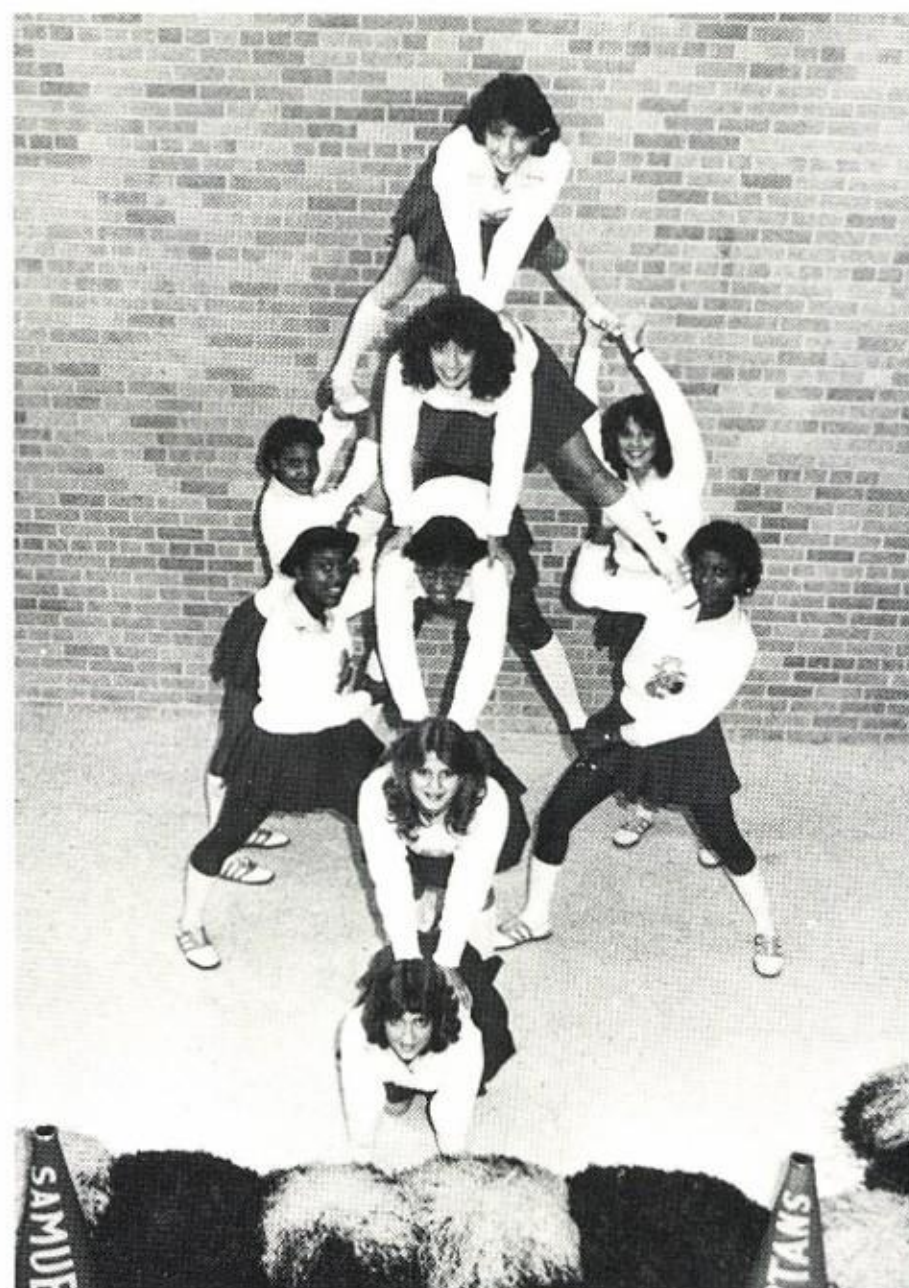

The J.V. Cheerleaders helped spread spirit and supported Samuell athletic events. The ten cheerleaders made tags for the freshman and junior varsity teams each week. This group attended the S.M.U. Cheerleader Camp in the summer. They received one outstanding rating, three excellent ratings and one superior rating. The J.V. Cheerleaders went to a cheerleader competition sponsored by The Dallas Mavericks and the Coca Cola Bottling Co. The girls received an excellent rating in their division. The highlight of their evening was cheering for the Mavericks during the game. The cheerleaders were sponsored by Ms. Hall and Ms. Dunbar.

Leading cheers with sign language may seem unusual at some schools. However, it was an ordinary part of Samuell's pep assemblies and athletic events. The Deaf Cheerleaders decorated a special hall for homecoming with the help of the pep club. They made spirit posters to hang near the gym. The Deaf Cheerleaders attended all of the football games. Three dances for the deaf students were given by the cheerleaders during the year. Their sponsor was Ms. Hartwick.

Starlets Sparkle

One of Samuel's most spirited organizations was the Starlets, sponsored by Ms. Phelps. They spent many early morning hours learning and practicing routines for performances at football games, basketball games, and in pep assemblies. This group attended the S.M.U. drill team camp last summer and won fifty-one individual ribbons. Two first place trophies for outstanding performance were won by Kellie Pannell for marching and dance. The officers won two trophies, one for their home routine and the other for most improved group. These girls brought thirty-one blue ribbons and five red ribbons back to Samuel after attending officer camp. Starlet Captain, Kellie Pannell and First Sr. Lieutenant, Cindy Perez, were chosen as members of The All American Drill Team. First Jr. Lieutenant, Kelley Maurer, was inducted into Who's Who in American Drill Teams. The annual drill team talent show, Starlet Revue, was held on March the 14th.

Blue Jackets Have the Beat

The Blue Jackets, one of the largest organizations at Samuell, consisted of one hundred spirited girls. This group spread enthusiasm and support throughout the school. The Blue Jackets attended all varsity football games, some junior varsity games and a few basketball games. They decorated the halls for the Homecoming celebration. During each pep assembly the Blue Jackets presented a Player of the Week towel to an outstanding member of the varsity team. The group performed a pom pon routine to "We've Got The Beat" during a pep assembly. The annual Blue Jacket banquet was held on February 28, 1982. N.H.S. Achieves

Being inducted into the National Honor Society was one of the highest honors a student could receive. Members were noted for character, service, leadership, and scholarship. The N.H.S., an elite organization, sponsored a tutoring program for the students in need of special help. At Christmas the group donated food and other needed items to the Buckner Children's Home. The N.H.S. inducted new members on March the 21st at an evening ceremony. There was a spring banquet held on April the 6th for old and new members at Red Lobster. The National Honor Society was sponsored by Ms. Serpas, Ms. Reed, Ms. Bell, and Mr. Battle.

Color was added to later issues of the paper for the first time in four years. Ms. Bell, *The Sentinel* sponsor, had a staff of ten Journalism II students and sixteen Journalism I students. The staff entered U.I.L. competition and attended Journalism Day at the Loews Anatole. The group toured the Times Herald building in the fall. The Most Valuable Staffer was won by Beverly Meade.

The 1982-1983 TORCH Staff

On the Right Track

The 1983 TORCH staff was on the right track this year. The group won many awards at the S.M.U. annual summer camp sponsored by Taylor Publishing Company. The Best Overall Award, the highest given, was presented to the Samuell staff for their outstanding cover design, layouts and theme. The TORCH photographers also won various awards at the camp including, First Place Action Photo — Bill Lindley, Second Place Action Photo — Rob Stokes, Third Place Best Photo — Michelle Musick, and Third Place Depth of Field Photo — Michelle Little.

Much time was spent assembling and organizing the materials for this year's annual. Many hours were spent in the classroom, before and after school, on staff development days, at home and at extra curricular activities to meet the deadlines and complete the publication. The staff chugged along, stopped at every station and reached the final destination. Ms. McCollum devoted her time and energies to the success of the yearbook.

CONDUCTORS

In Dedication To Mr. Bill Stevenson

This year the senior class and TORCH staff were proud to dedicate the 1983 TORCH to Mr. Bill Stevenson. He began teaching at Samuell when it opened, twenty-seven years ago, and has taught history and government. In the past he has been the TORCH, Sentinel, and Pub sponsor. He was a true Spartan.

Mr. Stevenson was a devoted teacher and a faithful friend to the students at Samuell. He was both liked and respected by the student body and faculty members. His easy going character and cheery smile made him an asset to Samuell High School. This man was known for his practical jokes, oral tests, and whistling in the halls.

It was for his dedication to students, loyalty to the school, faithful service, and friendly character, that we dedicated the 1983 TORCH to Mr. Bill Stevenson.

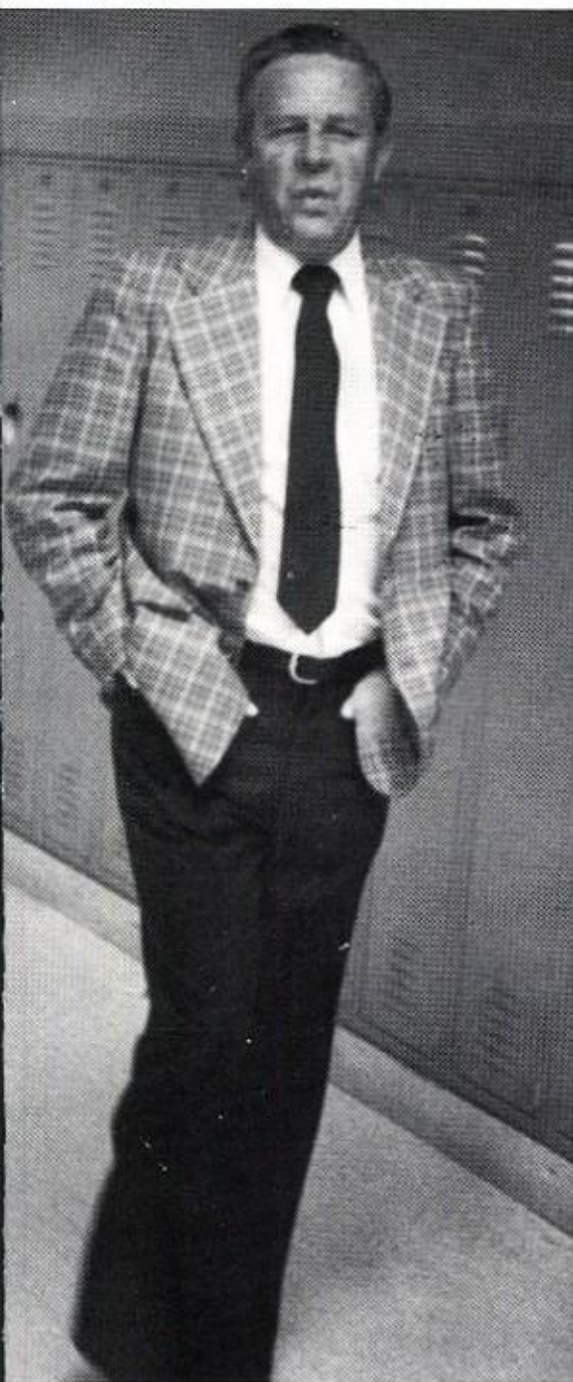

Mr. Stevenson reminds students of the major test on Monday.

Mr. Filgo Leads Faculty and Students

To the Students of W. W. Samuell:

Three years ago I was assigned to your school as it's sixth principal. Three years ago I accepted a new challenge. It has been a good three years.

This year has had its high points as well as some sad points. We have had students who have excelled and students who have failed; yet, most of us have made progress.

As a school, we have represented the district in football as champions, in basketball as runner ups, and in one-act play as champions. As I write this there are still opportunities for other winners.

To the class of 1983, you have been a friendly class with a strong desire to please and to do well. You have a good basic foundation. The rest is up to you.

To the classes of 1984, 1985, and 1986, step into the shoes left for you by the classes that have gone before you. They want you to do well. They will be watching you and following your progress. They will feel pride in your accomplishments.

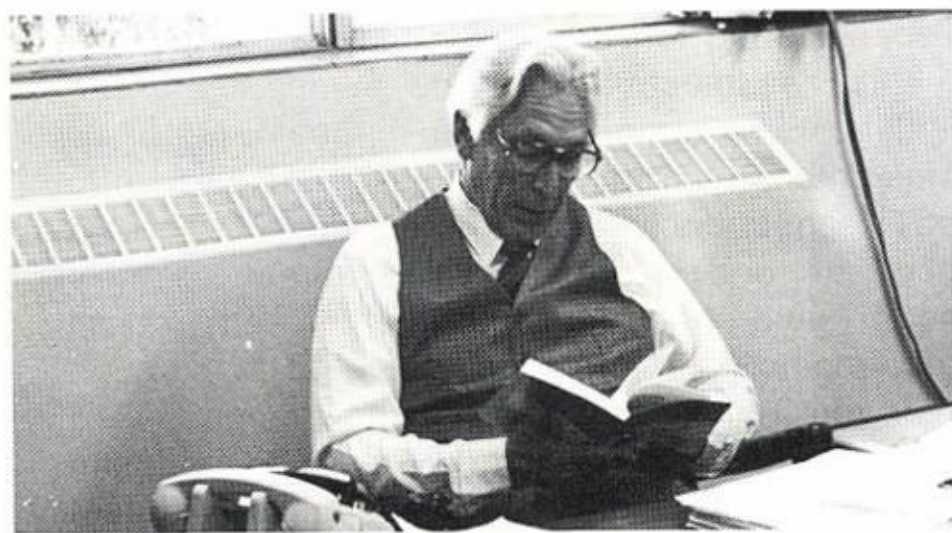

Let us all work and hope that each year will be better than the year before. That's the way progress is made. Students of W. W. Samuell High School are entitled to a continued climb toward excellence.

To the Torch staff — because of your hard, dedicated effort this year, I'm sure this book will be great. Few people realize the time and effort you put into this yearbook, but you can always be proud that you preserved this year of history for us all.

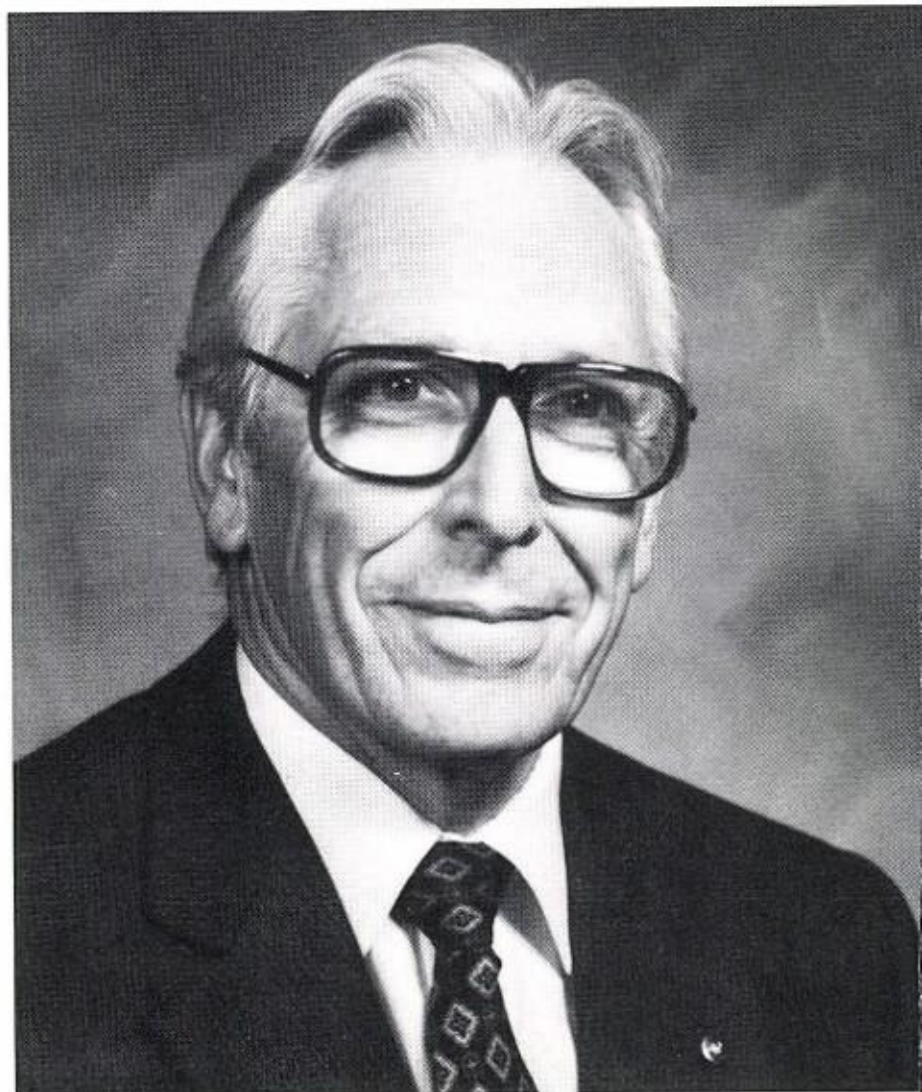

Sincerely,

Spartans Win District

Under the guidance of new head coach, Arvel Smith and his staff, the forty 1982 Varsity Football players surprised the experts by winning the 10-A AAAA District Championship with a record of 8-2 for the season. The team was honored with many awards. The team received recognition from Channel 4, KKDA Radio, and Channel 5. The ultimate award was the District Championship. Coach Smith mentioned that without team cooperation, a good attitude, and a strong desire to win, the squad would not have won as many games. The players advanced to the playoffs and were defeated in Bi-District competition with Highland Park. The Final score reflected the closeness of the contest.

At the Samuell meet the Spartans won second place; at Sulphur Springs they placed fourth; and at Lake Highlands they won fifth. Coach Grounds was proud of the award winners on the team.

Another Winning Season

The Varsity Baseball team continued the 1983 winning Spartan tradition. The team had a rough beginning, but they got on track and progressed well. Coach Lawless said, "The team had a good season because they got into the state play-offs." However, they were beaten by Lakeview in a two out of three game elimination.

Rikki Arredondo was chosen as player of the year in district 10-A. Retiring Coach Lawless finished his final season with a 13-7 record.

Rained Out

The Junior Varsity Baseball team, coached by Coach Scott, consisted of twenty-five players. The freshmen and sophomore team members played four games with a final record of 1-3. The season was shortened because many games were rained out.

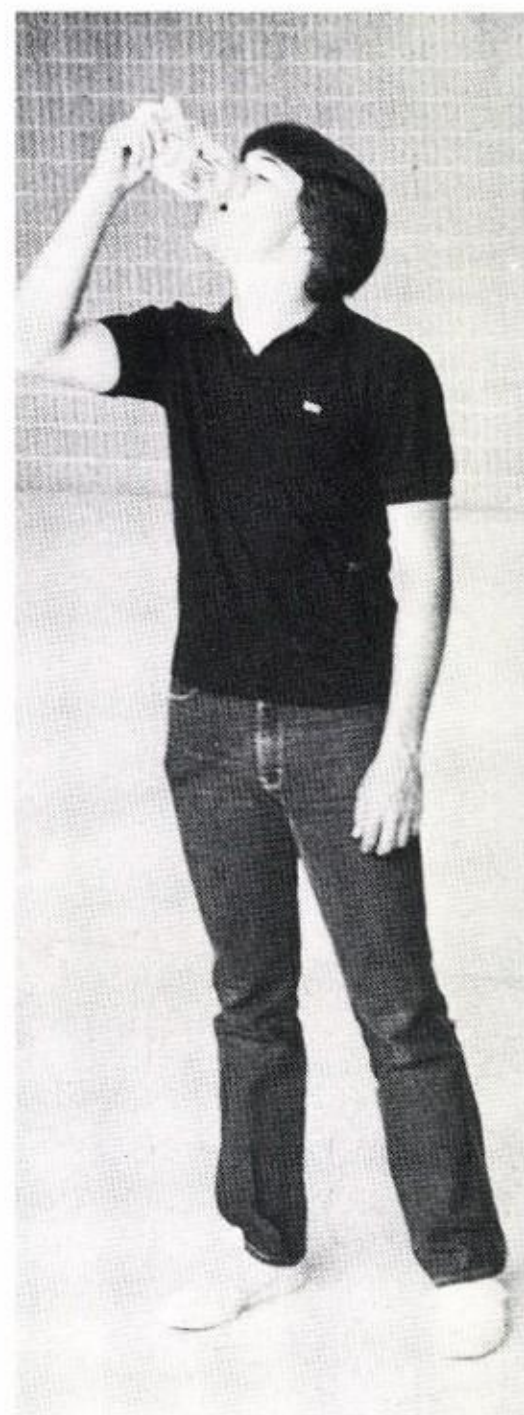

CABOOSE

The year has passed and the trains have reached the roundhouse. Spartans have completed the year with successful stops along the way. Students enjoyed the long ride because of the goals attained. The Samuell athletic department won first in district football, second in district basketball and second in district baseball. Groups in UIL competition in math, literary events, choir and drama were successful.

Four members of the 1982-1983 faculty will not board the Spartan Locomotive again. The chief engineer, Mr. Filgo and three conductors, Mr. Stevenson, Coach Lawless, and Ms. Adair retired. They, as well as the other faculty members, added guidance, love, and support to this year's passengers.
